Prayer of the Week: September 7th, 2025

God of all creation, you made the hands that stirred unthinking at the start of this day. As the hours slip by, help me to be more mindful of the good they might do: in the greetings they might offer, in the burdens they might bear, in the worry they might soothe. Prompt me to keep them open not clinging to what you have entrusted but freely offering, freely receiving, in response to this day's needs. May each small motion be a sign of trust, a reminder that my life is in your hands. Amen.
